## **Missing** Sharon Sala

Wes Holden has witnessed the ravages of war firsthand as an army special ops, but nothing could have prepared him for the senseless deaths of his own wife and son—or the private nightmare that follows. An empty shell of a man, he is unable to do anything but survive. Until the day he walks into Ally Monroe's yard.

Born and raised in the isolated beauty of the mountains of West Virginia, Ally faces a bleak future spent caring for her stern widower father and two brothers. With few job skills, she knows her wish for something more is hopelessly naive. But that doesn't stop her from dreaming that a stranger might walk into her backyard and transform her lonely life.

Something in Wes's fathomless eyes tells Ally all she needs to know. And when he settles into the abandoned cabin nearby, a special bond begins to form between them. But as Wes slowly emerges from his haze of pain, his soldier's instincts soon kick in. He knows there's danger hidden in the mountains, a place carefully chosen to hide a thriving business in illegal drugs. Worse, it's a threat closing in on Ally....
