Pride and Prejudice (Annotated Edition): by Jane Austen and Cascais Classic Editions (The World of Jane Austen Book 2) Jane Austen

Pride and Prejudice is a novel of manners by Jane Austen, first published in 1813. The story follows the main character Elizabeth Bennet as she deals with issues of manners, upbringing, morality, education, and marriage in the society of the landed gentry of early 19th-century England. Elizabeth is the second of five daughters of a country gentleman living near the fictional town of Meryton in Hertfordshire, near London.

Though the story is set at the turn of the 19th century, it retains a fascination for modern readers, continuing near the top of lists of "most loved books" such as *The Big Read*. It has become one of the most popular novels in English literature and receives considerable attention from literary scholars. Modern interest in the book has resulted in a number of dramatic adaptations and an abundance of novels and stories imitating Austen's memorable characters or themes. To date, the book has sold some 20 million copies worldwide.

The opening line of *Pride and Prejudice* announces:

"It is a truth universally acknowledged, that a single man in possession of a good fortune must be in want of a wife."

This sets the marriage motif of the novel. *Pride and Prejudice* centers on Elizabeth Bennet, the second of the five daughters of a country gentleman. Mr Bennet is a bookish man, and somewhat neglectful of his responsibilities. Mrs Bennet is a woman lacking in social graces and primarily concerned with finding suitable husbands for her five daughters. Jane Bennet, the eldest daughter, is distinguished by her kindness and beauty; Elizabeth Bennet shares her father's keen wit and occasionally sarcastic outlook; Mary is not pretty, but is studious, devout and musical albeit lacking in taste; Kitty, the fourth sister, follows where her younger sister leads, while Lydia is flirtatious and unrestrained.

The narrative opens with news in the Bennet family that Mr Bingley, a wealthy, charismatic and sociable young bachelor, is moving into Netherfield Park in the neighbourhood. Mr Bingley is soon well received, while his friend Mr Darcy makes a less favorable impression.

A major theme in much of Austen's work is the importance of environment and upbringing on the development of young people's character and morality. Social standing and wealth are not necessarily advantages in her world, and a further theme common to Jane Austen's work is ineffectual parents. In *Pride and Prejudice*, the failure of Mr and Mrs Bennet as parents is blamed for Lydia's lack of moral judgment; Darcy, on the other hand, has been taught to be principled and scrupulously honourable, but he is also proud and overbearing. Kitty, rescued from Lydia's bad influence and spending more time with her older sisters after they marry, is said to improve greatly in their superior society.

Pride and Prejudice is also about that thing that all great novels consider, the search for self. And it is the first great novel that teaches us this search is as surely undertaken in the drawing room making small talk as in the pursuit of a great white whale.

Cascas Classic Editions is proud to offer you the best Kindle edition of this literary classic featuring one of the most acclaimed authors of the 19th century.
