### ABOUT THE BOOK

In my elementary school, the library had a small section dedicated to childrens versions of classic novel adaptations. Even now, I can remember that my favorite adaptation was The Phantom of the Opera. The translation was a watered-down version with plenty of pictures, and I was intrigued by the mysterious Angel of Music who enchanted the pretty little Christine Daae. This gentleman could throw his voice as if to sound disembodied, he taught Christine to sing, and he loved her fiercely and passionately.

The phantoms story stayed with me until my freshman year at high school, when much to my delight, I saw Andrew Lloyd Webbers musical adaptation as my first Broadway production. I bought the original score book (which I still possess years later), and kept the entire bus awake by singing the haunting music throughout the fourteen-hour ride back home.

### EXCERPT FROM THE BOOK

The Phantom of the Opera was inspired by a corpse that Leroux chanced upon in the catacombs of the Opera House in Paris while working on a story about the prisoners of the Paris Commune held there. The expansive underground structures beneath the Paris Opera House, kindled his imagination, and Leroux was able to unleash a passionate tale of misguided and unrequited love.

As a book, the Phantom of the Opera received very little literary praise. Critics and readers enjoyed the suspense, but they found the story implausible, and the plot convoluted. It wasnt until 1925, when Universal Studio made a silent film version of the novel casting Lon Cheney as the Phantom, that his story started getting popular attention. The cinematic phantom was so gruesome that women were forewarned to bring smelling salts to the theater lest they faint, and quite a few members of the audience did...
