- ***SUCH WICKED FRIENDS*** is the third novel in this popular women sleuths mystery series featuring the irrepressible Sandy Reid.

~ *Sometimes friends are deadlier than enemies.* ~ Sandy Reid runs into a problem of the dead kind and soon the police want her to butt out, the State Attorney wants her disbarred, and the killer wants her dead. Not the best situation for a brand new lawyer who's trying to live down a reputation for being sassy and reckless.

Fresh from passing the Florida bar exam she stumbles over a potential client--shot between the eyes. She believes the murdered woman is begging her to find the killer. How else to explain the mysterious spot of blood Sandy later discovers on her own hand? She begins a personal vendetta to find the killer. Her new law partner, Martin, joins in to help and although he has a more intimate partnership in mind, he's not the one she becomes interested in. In any case, she doesn't intend to stray from her hunky detective lover--or does she?

Martin finds himself squeezed between two steamy seducers after a friend kills himself--or was it a second murder cleverly disguised as suicide? Now with two people dead, Sandy is certain that with all the deceiving and lusting going on, someone in the group of friends is guilty of murder.
