The Art of War: Ancient Wisdom . . . Modern Twist Sun Tzu

Read the original *Sun Tzu The Art of War* and you'll see, feel and taste a striking difference: it is quite unlike the entertaining facsimiles that appear across the publishing universe today.

The original was carefully planned and designed to be accurate, brief and concise: short, punchy bullets, all well categorized and numbered for easy retrieval and reference. There were no lengthy explanations about each bullet, no editorials by armchair, paper-qualified warriors.

Dean Garner's 50-page edition of *The Art of War* was compiled and edited in the high spirit of those brilliant minds who wrote *The Art of War*, and was designed to be a highly readable and accessible field manual for all warriors--battlefield, boardroom, bedroom--rather than a detailed historical perspective or critique for academics and history enthusiasts.

The editor of the current version served as a US Army Airborne Ranger with the 1st Ranger Battalion and as a silladar (overseas security specialist) with international private military companies he designed and helped build. He did 211 overseas missions, escorting clients out of hostile territories, all without the aid of backup operators or rescue personnel, and delivered all clients to safe havens over a nine-year period.

During his service in US military and civilian special operations, he accurately learned and successfully implemented firsthand many elements of *The Art of War*.

This contemporary edition of Sun Tzu's masterpiece is just as, if not more, relevant today as it was 2,500 years ago. In the current geopolitical environment, our military and civilian leaders should be taking Sun Tzu's wisdom to heart, and implementing tactics and strategies that will ensure we do not engage in any further wars, battles or skirmishes.

Sun Tzu teaches us that *war is unnecessary . . . peace is always the goal*.

It should be here for you actually. So , don't miss this! Just read this e-book type for your better life and also knowledge.

Wilma Hogan:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Art of War: Ancient Wisdom . . . Modern Twist can make you really feel more interested to read.
