Jewish Choices, Jewish Voices: Social Justice

Jewish Choices, Jewish Voices: Social Justice

How do we expand health care coverage to more Americans? Are hate crimes legislation and affirmative action fair? What sacrifices must we make to protect the environment? Is the death penalty morally acceptable? Contributors include Jill Jacobs, of Jewish Funds for Justice; Arthur Waskow, director of The Shalom Center; and TV commentator and UCLA law professor Laurie Levenson. Each volume in this series presents hypothetical cases on specific topics, followed by traditional and contemporary sources. Supplementing these are brief essays, written by contributors of various ages, backgrounds, and viewpoints to provoke lively thought and discussion. These voices from Jewish tradition and today's Jewish community present us with new questions and perspectives, encouraging us to consider our own moral choices in a new light.
