Song of the South: Randy Newman's Good Old Boys (Lp Companion Collection Book 1)

David Katin

Song of the South: Randy Newman's Good Old Boys (Lp Companion Collection Book 1) David Katin
By the time of "Good Old Boy"'s release on September 10, 1974, Randy Newman had established himself as a revered cult figure and critical favorite. But fueled by its controversial opening track, "Rednecks," his ambitious concept album about the American South became Newman's first hit - and over the following decades, its reputation has only continued to expand.

"Song of the South: Randy Newman's Good Old Boys" traces the evolution of Newman's album from its roots in an abandoned project titled, Johnny Cutler's Birthday;" recounts his arduous journey to bring his reimagined concept to fruition; catalogs its cast of misfits and misanthropes; and explores its central themes in the context of Newman's half-century-long career.

It's a compelling story enhanced by the author's personal interviews with the key members of Newman's production team, as well as by his unique access to previously unavailable material.
