**The Ants Go Marching One by One (Sing - With - Me Ser.)** Publications International

The book has illustrations that are colorful and fanciful -- ants roller skating and at school, ants dressed up and riding on insects. It has one of those electronic buttons to push, it is one of those books that the kids love to keep around them. Great for children to read along and sing along with their parents or for a child to enjoy by themselves, with the music as accompaniment.
