The Supernatural School of Hard Knocks is about my true life supernatural experiences. All the stories offer valuable lessons such as discovering that God still speaks to his people.

The stories show how God uses dreams and prayers to keep peace and bring victory in a dangerous situation. You will discover how God sends warnings through signs and wonders to us when we are going down the wrong path.

Within this book you will see how darkness offers insight into the enemy's camp and how God uses what the enemy has planned for us for His Glory.

Did you know that God sends dreams from heaven many times to not only warn us about impending danger, but also to guide and direct us?

This first edition of The School of Hard Knocks will take you on a soul journey learned from many life lessons.
