Fundamentals of Nursing Review Module Author

User's Guide Welcome to the Assessment Technologies Institute® Fundamentals Review Module Edition 8.0. The mission of ATI's Content Mastery Series review modules is to provide user-friendly compendiums of nursing knowledge that will:

- Help you locate important information quickly.
- Assist in your learning efforts.
- Provide exercises for applying your nursing knowledge.
- Facilitate your entry into the nursing profession as a newly licensed RN.

Organization This review module is organized into units covering the NCLEX® major client needs categories: Safe, Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. Chapters within these units conform to one of four organizing principles for presenting the content:

- Nursing concepts
- Growth and development
- Procedures
- Application Exercises

Questions are provided at the end of each chapter so you can practice applying your knowledge. The Application Exercises include NCLEX-style questions, such as multiple-choice and multiple-select items, and questions that ask you to apply your knowledge in other formats, such as by using an ATI Active Learning Template.
