Dora Machado

Stonewiser: The Heart of the Stone Dora Machado

Between truth and deception, between justice and abuse, a stonewiser stands alone with the stones... Or so begins the Stonewiser's oath. But what happens when a rebellious stonewiser discovers that lies have tainted the stone tales?

Like her fellow stonewisers, Sariah always expected to spend her life wising truth from the stones. But when she discovers lies in the sacred stones, she is forced into a pit of intrigue with only her stone pledge and her wits along with her bitterest enemy to protect her in a desperate quest to restore justice and prevent her world's destruction .

Reviews:

This touches on one of the strengths of the novel - that it is both plot driven - as well as an intimate portrait of a young woman's painful journey toward maturity....This is a page turner with heart and deserves to find a wide readership - [www.sffmedia .com](http://www.sffmedia.com)

"Stonewiser" is a finely crafted fantasy with unique concepts, and a vivid living world that will draw readers in and not let go. Midwest Book Review (Reviewer's Choice Selection)

Once in a while, a new fantasy/adventure comes out that doesn't travel well-worn paths in the genre but instead gives us a vivid new world, an exciting set of original characters, and page after page of non-stop intrigue, action, twists, revelation, and fun. STONEWISER is the best to appear in years. - Barnes & Noble review

Machado's writing is as competent as her characterization, being vivid and often poetic. The plot itself is well devised and generally moves along at a good pace... There are quite a few surprises... I was surprised to find that the novel was often a little darker than I expected, and there are one or two quite brutal moments that add a nice (dare I say it) gritty feel, without coming across too heavily. Machado's world also comes across well in her writing. -

From reader reviews:

Margaret Burton:

This Stonewiser: The Heart of the Stone book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is information inside this reserve incredible fresh, you will get details which is getting deeper a person read a lot of information you will get. This kind of Stonewiser: The Heart of the Stone without we know teach the one who reading through it become critical in thinking and analyzing. Don't become worry Stonewiser: The Heart of the Stone can bring when you are and not make your handbag space or bookshelves' become full because you can have it inside your lovely laptop even mobile phone. This Stonewiser: The Heart of the Stone having good arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Matilda Greiner:

Here thing why this specific Stonewiser: The Heart of the Stone are different and reliable to be yours. First of all examining a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. Stonewiser: The Heart of the Stone giving you information deeper and different ways, you can find any guide out there but there is no reserve that similar with Stonewiser: The Heart of the Stone. It gives you thrill looking at journey, its open up your own eyes about the thing that will happened in the world which is maybe can be happened around you. You can bring everywhere like in playground, café, or even in your method home by train. If you are having difficulties in bringing the imprinted book maybe the form of Stonewiser: The Heart of the Stone in e-book can be your option.

Wilma Bates:

Precisely why? Because this Stonewiser: The Heart of the Stone is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your talent and your critical thinking method. So , still want to delay having that book? If I were you I will go to the book store hurriedly.

Clyde Connell:

This Stonewiser: The Heart of the Stone is great e-book for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great arrange word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with wonderful delivering sentences. Having Stonewiser: The Heart of the Stone in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no reserve that offer you world in ten or fifteen tiny right but this guide

already do that. So , this really is good reading book. Heya Mr. and Mrs. stressful do you still doubt that?
