The Glass Closet: Why Coming Out Is Good Business

John Browne

The Glass Closet: Why Coming Out Is Good Business John Browne

Part memoir and part social criticism, *The Glass Closet* addresses the issue of homophobia that still pervades corporations around the world and underscores the immense challenges faced by LGBT employees.

In *The Glass Closet*, Lord John Browne, former CEO of BP, seeks to unsettle business leaders by exposing the culture of homophobia that remains rampant in corporations around the world, and which prevents employees from showing their authentic selves.

Drawing on his own experiences, and those of prominent members of the LGBT community around the world, as well as insights from well-known business leaders and celebrities, Lord Browne illustrates why, despite the risks involved, self-disclosure is best for employees—and for the businesses that support them. Above all, *The Glass Closet* offers inspiration and support for those who too often worry that coming out will hinder their chances of professional success.
