THE TRUTH ABOUT TRUMP

He is one of the world's most successful businessmen—and a man who many Americans love to hate. So how did Donald Trump become a serious contender in the race for the country's highest office? His critics think his run for president is a marketing campaign for the Trump brand. His supporters believe that he can make America great again. The only thing both sides can agree on is that Trump is a man whose appetite for wealth, attention, power, and conquest is insatiable. In this up-close-and-personal biography, author Michael D'Antonio draws upon extensive and exclusive interviews with Trump himself to present the full story behind this American icon—from his early life to the headlines of today.

“Carefully reported and fair-minded.”—USA Today
