True Stories of Hans Christian Andersen Hans Christian Andersen

It's true that fairy tales of old are often cleaned-up, re-hashed and made "suitable" for the general audiences of today. This collection showcases several stories as they were first told, with all their dark, violent and otherwise unsettling charm intact. Presenting seventeen stories by Danish fairytale weaver Hans Christian Andersen as they were originally told: The Little Mermaid, The Princess and the Pea, the Snow Queen and more! This book is recommended for those who love classic tales and due to the dark subject matter, may not be suitable for children.
