Awaken (The Awaken Series Book 1) Maggie Sunseri

After a tragic accident, Luna Beckham lost an entire year's worth of memories, but she is determined to get her life back on track. Her family and friends tell her that the accident was a blessing, and Luna believes them. They say rebellious acts marred her senior year of high school, and in the seemingly Utopian society of Oportet, questioning anything was questioning everything.

Now, as Luna begins to regain memories that were never supposed to resurface, she is drawn to a boy from her past she doesn't even recognize. She soon discovers he might have all the answers she's looking for.

Caught between the past and present, Luna becomes more aware of her true self with each startling revelation. As her two worlds collide, Luna learns all that Oportet stands for, and how far its leaders will go to keep citizens in line.
