Cowboy on the Run Devon McKay

Running from a final fight with his drunk and abusive father, Nate had never planned to return to the town where the only good thing had been a brunette beauty with more compassion than he deserved. But finding himself on a ranch for boys facing the same issues not only taught him how to be a man, it taught him that there was more to life than running. Nate Walker always did know how to make an entrance, once again turning Jessie Calhoun's routine life upside down. Unfortunately, he'd also had the same impact when he left her mending a broken heart in a cloud of dust and taillights. But this time would be different. No longer that gullible, naive girl he left behind, she'd be a fool to fall under his spell again. Especially now that she had more at stake—two very important reasons.

This is a new release of a previously published edition.
