Thoughts and Things

Leo Bersani

Thoughts and Things Leo Bersani

Leo Bersani's career spans more than fifty years and extends across a wide spectrum of fields—including French studies, modernism, realist fiction, psychoanalytic criticism, film studies, and queer theory.

Throughout this new collection of essays that ranges, interestingly and brilliantly, from movies by Claire Denis and Jean-Luc Godard to fiction by Proust and Pierre Bergounioux, Bersani considers various kinds of connectedness.

Thoughts and Things posits what would appear to be an irreducible gap between our thoughts (the human subject) and things (the world). Bersani departs from his psychoanalytic convictions to speculate on the oneness of being—of our intrinsic connectedness to the other that is at once external and internal to us. He addresses the problem of formulating ways to consider the undivided mind, drawing on various sources, from Descartes to cosmology, Freud, and Genet and succeeds brilliantly in diagramming new forms as well as radical failures of connectedness. Ambitious, original, and eloquent, *Thoughts and Things* will be of interest to scholars in philosophy, film, literature, and beyond.

From reader reviews:

Mark Giordano:

What do you think about book? It is just for students because they are still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book Thoughts and Things. All type of book would you see on many resources. You can look for the internet methods or other social media.

Michel Wilkerson:

What do you about book? It is not important together with you? Or just adding material when you want something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? All people has many questions above. They have to answer that question because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this particular Thoughts and Things to read.

Sharon Self:

This book untitled Thoughts and Things to be one of several books that will best seller in this year, honestly, that is because when you read this book you can get a lot of benefit in it. You will easily to buy this book in the book retail store or you can order it through online. The publisher with this book sells the e-book too.
