Donde no hay doctor

David Werner, Carol Thurman and Jane Maxwell

Donde no hay doctor David Werner, Carol Thurman and Jane Maxwell

Hesperian's classic manual, Donde no hay doctor (Where There Is No Doctor in Spanish), is perhaps the most widely used health care manual for health workers, clinicians, and others involved in primary health care delivery and health promotion programs around the world. With millions of copies in print in more than 70 languages, the book is an irreplaceable health resource in communities worldwide.

As with all Hesperian books, the manual provides practical, easily understood information on how to diagnose, treat, and prevent common diseases. Special attention is focused on nutrition, infection and disease prevention, as well as the use of diagnostic techniques as primary ways to prevent and treat health problems.

The 2012 version of Donde no hay doctor includes updated information on how HIV/AIDS is reflected in many health issues, as well as updated information on children and aspirin, preventing the transmission of blood-borne diseases, stomach ulcers, hepatitis, and malaria treatments.

From reader reviews:

Frank Miller:

Here thing why that Donde no hay doctor are different and trustworthy to be yours. First of all examining a book is good but it really depends in the content from it which is the content is as scrumptious as food or not. Donde no hay doctor giving you information deeper as different ways, you can find any e-book out there but there is no publication that similar with Donde no hay doctor. It gives you thrill reading journey, its open up your personal eyes about the thing which happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in area, café, or even in your method home by train. For anyone who is having difficulties in bringing the published book maybe the form of Donde no hay doctor in e-book can be your option.

Sarah Maddocks:

Often the book Donde no hay doctor will bring you to the new experience of reading the book. The author style to describe the idea is very unique. Should you try to find new book to study, this book very acceptable to you. The book Donde no hay doctor is much recommended to you to study. You can also get the e-book from official web site, so you can quickly to read the book.

Jessie Loudermilk:

This Donde no hay doctor is great e-book for you because the content that is full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can state no rambling sentences inside it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with splendid delivering sentences. Having Donde no hay doctor in your hand like getting the world in your arm, details in it is not ridiculous 1. We can say that no book that offer you world inside ten or fifteen second right but this reserve already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that will?

Willie Isaac:

A lot of people said that they feel bored when they reading a reserve. They are directly felt it when they get a half parts of the book. You can choose the actual book Donde no hay doctor to make your reading is interesting. Your own personal skill of reading proficiency is developing when you just like reading. Try to choose easy book to make you enjoy to see it and mingle the impression about book and looking at especially. It is to be initially opinion for you to like to start a book and learn it. Beside that the e-book Donde no hay doctor can to be your brand-new friend when you're feel alone and confuse using what must you're doing of their time.
