Let Burn

Rachel K. Wentz

Let Burn Rachel K. Wentz

In 1985, desiring a meaningful, high-paced career in public service, Rachel Wentz left her university studies to become a firefighter/paramedic. Only the eighth woman hired by the Orlando Fire Department, a highly competitive department steeped in tradition, Wentz excelled, completing an AS in Fire Science, a master's in public administration, and numerous specialized training courses to prepare her for an administrative position within the department. Wentz spent eleven years with OFD, experiencing a career that was every bit as exciting and challenging as she had sought. A moving, candid, and eloquent memoir, *Let Burn* recounts her experiences as a firefighter/paramedic, during which time she witnessed aspects of life and death few people are privy to, experiences that shaped her as a professional and as a person. From the rigorous demands of training to the extraordinary calls Wentz responded to, *Let Burn* details the gratifying aspects of the field, but also demonstrates the precarious nature of the job: a heated altercation at the scene of an industrial fire leads to Wentz losing almost everything she's worked for and the dramatic end of a storied career. In vivid detail, *Let Burn* provides a firsthand glimpse into the hidden world of firefighting and emergency medicine.

From reader reviews:

Kim Duncan:

Book is usually written, printed, or descriptive for everything. You can know everything you want by a e-book. Book has a different type. As you may know that book is important factor to bring us around the world. Next to that you can your reading skill was fluently. A e-book Let Burn will make you to be smarter. You can feel a lot more confidence if you can know about anything. But some of you think that will open or reading a new book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you trying to find best book or ideal book with you?

Pamela Adair:

This Let Burn book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is usually information inside this e-book incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. That Let Burn without we know teach the one who looking at it become critical in pondering and analyzing. Don't be worry Let Burn can bring once you are and not make your tote space or bookshelves' grow to be full because you can have it in your lovely laptop even mobile phone. This Let Burn having excellent arrangement in word along with layout, so you will not truly feel uninterested in reading.

Terry Tatum:

Precisely why? Because this Let Burn is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your talent and your critical thinking method. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Annie Resnick:

In this time globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. Often the book that recommended to you is Let Burn this guide consist a lot of the information from the condition of this world now. This kind of book was represented just how can the world has grown up. The dialect styles that writer use for explain it is easy to understand. Often the writer made some analysis when he makes this book. That's why this book suited all of you.
