Book C of the Fabers' young beginner method continues the staff-reading adventure with the introduction of skips (3rds). Students first explore skips aurally and kinesthetically across the full range of the keyboard. A delightful variety of songs follow which carefully and comfortably guide the child toward line-line and space-space staff recognition. The new CD for Book C offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically.
