On Talking Terms With Dogs: Calming Signals Turid Rugaas

Yawning, lip-licking, sneezing, even scratching are just a few of the 30-plus signals or that dogs use to communicate with one another. Now, with *On Talking Terms with Dogs*, you can learn to recognize these signals and use them to interact with your dog. The new second edition has color photographs throughout with detailed captions explaining the behavior.

Norwegian dog trainer and behaviorist Turid Rugaas has made it her life work to study canine social interaction. She coined the phrase calming signals to describe the social skills, sometimes referred to as body language, that dogs use to avoid conflict, invite play, and communicate a wide range of information to other dogs.

Learn to identify situations that are stressful to your dog so that you can resolve or avoid them.

Rehabilitate a dog that has lost her ability to read or give calming signals.

Become a keen observer of canine behavior at home, in the community, and among dogs to get better behavior and build a solid relationship.

This new edition has outstanding photographs with captions interpreting what you observe
