PLAY HARD: Three full-length, sexy sports romances that bring the heat!

FASTBALL, by V.K. Sykes: Book one in the USA Today Bestselling series, The Philadelphia Patriots

Baseball reporter Maddie Leclair has spent years chasing her dream job--covering the Philadelphia Patriots major league baseball team. But in order to make it to the top tier of sports reporting, she needs to score an interview with the most private and elusive athlete in baseball, Patriots' superstar Jake Miller.

On the rebound from a devastating injury, the last thing Jake needs is a pushy female reporter distracting him. But one look at Maddie and he finds himself trying for a different kind of play, one that involves bedrooms and not baseball stats. Sleeping together could damage both their careers, and Maddie is all about saying no. But when it comes to the game of love, Jake is playing to win.

OFFSIDE, by Juliana Stone: Book one in The Barker Triplets trilogy. When hockey phenom Billie-Jo Barker returns home and decides to play in the local Friday night hockey league, all hell breaks loose. Not because Billie's talent is in question, but because Billie is a woman. And though these are modern times, some of the local guys still have a problem letting a girl into their 'men's club.'

Soon, Billie is at the center of a small town battle of the sexes, with everyone choosing sides. Her sisters. The townsfolk. Her friends. And yet, the only person whose opinion she cares about doesn't seem to care much at all. Logan Forest, the man who broke her heart when she was eighteen and the man she now shares the bench with every Friday night.

She's got a lot to prove and though Billie Jo Barker scores on the ice, will this girl ever score with the man of her dreams?

THE PROPOSITION, by Jennifer Lyon: The Proposition is book one of three in The Plus One Chronicles Trilogy.

Rich, sexy and volatile, Sloane Michaels has a dark agenda that keeps his heart on ice. His extreme wealth gives him the control he craves and his skills as an ex UFC fighter the tools he'll need to extract his ultimate revenge. But when the woman he never believed he'd see again crosses his path, Sloane is caught between the vengeance he needs and a sexual conquest he craves.

Kat Thayne has been in survival mode for six years, hiding behind the sweet creations for her bakery. But when a random carjacking brings her face-to-face with her darkest fears and hottest fantasy, Kat is forced out of hiding and offered a dangerously passionate proposition. One she knows she isn't strong enough to refuse.

From reader reviews:

Mary Mohammad:

Do you certainly one of people who can't read satisfying if the sentence chained in the straightway, hold on guys that aren't like that. This Play Hard book is readable by you who hate those perfect word style. You will find the info here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to supply to you. The writer associated with Play Hard content conveys objective easily to understand by lots of people. The printed and e-book are not different in the articles but it just different in the form of it. So , do you even now thinking Play Hard is not loveable to be your top record reading book?

Sandra Wright:

Nowadays reading books become more than want or need but also be a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want feel happy read one with theme for entertaining for example comic or novel. The actual Play Hard is kind of guide which is giving the reader unstable experience.

Rene Hudson:

Reading a e-book can be one of a lot of pastime that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a book will give you a lot of new facts. When you read a reserve you will get new information simply because book is one of numerous ways to share the information or maybe their idea. Second, examining a book will make anyone more imaginative. When you examining a book especially fiction book the author will bring someone to imagine the story how the character types do it anything. Third, you could share your knowledge to others. When you read this Play Hard, you may tells your family, friends and also soon about yours book. Your knowledge can inspire average, make them reading a e-book.

Karen Bright:

Your reading sixth sense will not betray you, why because this Play Hard publication written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written with good manner for you, leaking every ideas and creating skill only for eliminate your personal hunger then you still skepticism Play Hard as good book not merely by the cover but also by content. This is one book that can break don't assess book by its protect, so do you still needing one more sixth sense to pick this particular!/? Oh come on your examining sixth sense already alerted you so why you have to listening to one more sixth sense.
