So You Want to Be President? Judith St. George

This new version of the Caldecott-winning classic by illustrator David Small and author Judith St. George is updated with current facts and new illustrations to include our forty-second president, George W. Bush.

There are now three Georges in the catalog of presidential names, a Bush alongside the presidential family tree, and a new face on the endpaper portraiture.

Hilariously illustrated by Small, this celebration by St. George shows us the foibles, quirks and humanity of forty-two men who have risen to one of the most powerful positions in the world. Perfect for this election year--and every year!
