The Secret Garden Frances Hodgson Burnett

“The Secret Garden was what Mary called it when she was thinking of it. She liked the name, and she liked still more the feeling that when its beautiful old walls shut her in no one knew where she was. It seemed almost like being shut out of the world in some fairy place.” A classic of English children’s literature, “The Secret Garden” has become Burnett’s most popular novel. Exploring the themes of magic, positive thinking and the power inherent in living things, she has created a story that has enchanted readers , young and old, for over a century. Highly recommended.
