99 RIDICULOUS WAYS TO DIE.

Crazy, Insane Ways to Die; true stories.

Warning; Sometimes these ridiculous ways to die, are a little disturbing. They are all true stories....

1. Melvyn was an evangelical preacher, in Jacksonville, Florida, who decided to highlight the drama of his sermon one day, by demonstrating the seven deadly sins with his revolver, loaded with a blank cartridge. He was going to play Russian Roulette with his gun in front of his audience, and as he addressed each deadly sin he would put the gun to his head and pull the trigger. All was well for the first couple of sins, but after another of the spins of the gun, he put it to his head and pulled the trigger, and the blank pierced his skull, causing fatal brain injury.

As he fell backward off the stage, at first the audience believed it was just part of his dramatic flair, and that he would soon get back up on the stage and resume his sermon. When he failed to do so, some of the congregation went to see what he was doing and found him bleeding on the floor behind the stage. He was rushed to hospital but it was impossible to save him.

2. Randy Lee had come up with a great joke. He was going to scare drivers into thinking they'd seen a Bigfoot, near Flathead Lake in Montana.

He put on a ghillie suit, thinking this camouflage looked suitably like a Bigfoot, and stood in the middle of the highway, in August 2012.

Not one but two cars subsequently ran him over, both unable to swerve out of the way of him in time, and resulting in his death.

3. In 2012, soldier Patrick Myers shot his comrade, soldier Isaac Young in the face with his gun. Both soldiers were based at Fort Hood, Texas, and when asked why he had done it, Myers explained that they had been relaxing together that evening on the base, watching football on TV and having a drink together, when Myers got a bad case of the hiccups.

In an attempt to get his hiccups to stop, Myers said he pulled out his gun and aimed it at his friend, in an attempt to scare him. Unfortunately, he accidentally discharged the gun and shot him in the face, killing him instantly.

"The victim had hiccups," said a spokesman for the police department. "The suspect pulled his gun out to scare him."

4. A gypsy man, who had previously survived after chopping his own penis off, died in his caravan naked and covered in blue paint at his campsite near Middlesborough, Northern England, in June 2015.

Forty one year old father of six, Kelvin Hewitt, had frightened drivers the previous year when he was seen wandering on the highway covered in blood and bringing the traffic to a standstill as he searched for his severed penis. A coroner ruled his death as 'misadventure.'

5. Fifty seven year old Judy Zagorski was enjoying a spot of sunbathing on a small pleasure boat, in the Florida Keys in 2008, when she was startled by a flying stingray, which leapt out of the water and landed on

her, knocking her out of her chair and causing her to hit her head on the deck.

The woman died, and it's thought that it was from the impact of the fish, weighing in at around 85lbs and hitting her at speed.

"It happened instantaneously," said her Father, who was driving the boat at the time.

Officials said the fish also died on impact.
