Alpha Wolf's Pet, Trilogy Box Set Eva Gordon

The Alpha Wolf's Pet Collection includes the entire trilogy. Each book is a different stage in the romantic relationship between alpha werewolf, Dominic and Mia, his human lover. Paranormal steamy romance and page turning suspense.

Alpha Wolf's Pet, Hidden Book 1

Mia's testimony against Russian mobsters forced her to enter the witness protection program. She is relocated to a quaint cottage in Wolf Woods, near Mt. Rainier, far from everyone and everything she loved and cared for. All is calm, until she meets Dominic, the gorgeous ruggedly handsome owner of the mysterious Wolfe Estate. He is all alpha male, domineering, and controlling. The last thing she needs is to get involved with a sexy control freak.

Alpha werewolf, Dominic Wolfe, is the packs' enforcer. When an attractive young woman moves into a cottage near his territory; his senses are heightened to obsessive proportions. A human pet to meet his desires.

Dominic is determined to unveil Mia's real identity while keeping his own securely hidden. Haunted by the howls and shrieks coming from Dominic's estate, Mia wonders if she can really trust the enigmatic man she suspects of wanting a dominant-submissive relationship. A man who brings out her darker desires. Will hidden danger keep them from gratifying their burning passion?

Alpha Wolf's Pet, Kept, Book 2

In the sequel to Alpha Wolf's Pet, Hidden, Mia has two choices: remain hidden, frightened by the Russian mob determined to murder her, or become a sworn member and under the protection of Dominic's werewolf pack. Being Dominic's human lover is pleasurable while taxing. She wants more than he can give: commitment. Except werewolves never marry humans. Carnal desires aside, will she accept her low status within the pack in order to share what little time she has with Dominic until he takes a werewolf mate? Dominic is torn. If he gives Mia beta status, his pack will mutiny. If he doesn't, she'll leave. Her stubborn independent nature will turn his world of strict pack rules upside down and he'll be scorned as pack enforcer. He loves her, but his pack rules will never allow him to claim a human as his mate. Worse, he's drawn to Mia's addictive blood. Was one taste too much?

Despite breaking the witness protection rules and looming danger, Mia is determined to visit her ailing grandmother. Can Dominic protect her from the mob, as well as from his kind? As their passion reaches a fevered pitch, will circumstances crush their happiness?

Alpha Wolf's Pet, Hunted, 3

The trilogy concludes with Alpha Wolf's Pet, Hunted.

Living with werewolves is a lesson in Mia's fragility, and stretching the limits of their antiquated pack protocol wears on everybody's nerves. Nonetheless, Mia is an official member of their pack, and Dominic's lover. Satisfied with their romantic and sexy exclusive arrangement, Mia is devastated when Chandra, Dominic's fiancée, arrives during his absence.

Dominic is worried. Is his love for Mia really his addiction to her blood? Will she eventually become his blood mistress and belong to her, commanding his body and soul? Before he can resolve the issue, the Russian Chess Piece mob strikes his territory. Faced with the king's command to mate his werewolf fiancée, and the mob, he has no time to explain before Mia does what she does best. She runs.

Danger looms for Mia and all werewolf kind as secrets are revealed about the mob pursuing her. But most disturbing of all, is the Lycan Intelligence Agency's sudden interest in Mia's DNA. Will new revelations destroy their love and crush their future?
