Homosexuality and the Law (Museum Publication)

Donald C. Knutson

Homosexuality and the Law (Museum Publication) Donald C. Knutson

A fascinating exploration of how the law--as viewed and decided by the courts--often embodies fear and prejudice against homosexuality, and thereby, becomes the instrument for discrimination. This valuable book covers a wide range of subjects, illustrating the extent to which the lives of gay persons are touched by these laws and providing a highly critical examination of the response by the American judicial system to our claims for equal protection under the law. Leading law professors and practicing lawyers address the important legal issues and court decisions relevant to male and female homosexuality--criminal punishment for gay sex acts, employment discrimination, child custody, gay organizational rights, and more.
