## **Karma's a Bitch: The Sergio Pages Story** Nikki Sinclair

Meet Sergio Pages, a half Cuban, half Puerto Rican from the Bronx who's as American as apple pie. And, he thought he was living the American dream: hot wife with whom he enjoys copious amounts of sex, great family, wonderful home, thriving jewelry business, hunting place in the woods and not a care in the world. Until, that is, his doctor tells him he'll be dead within five years if he doesn't lose weight. Did I mention he was also morbidly obese? Sergio opted for a drastic solution: gastric bypass surgery. Little did he know that weight wouldn't be all he ended up losing. His wife leaves him and the kids, and then his jewelry store is robbed. To make matters worse—if they could be worse—the police are targeting him as the prime suspect in the case and his insurance company won't pay out. Based on a true story, "Karma's a Bitch" tells how Sergio picks himself up, solves the crime and hands the criminals over to the police—and learns a thing or two about himself along the way. He proves the American spirit is still alive and kicking, and that when the going gets tough, some Americans are still tough enough to get going.
