Through Her Eyes: Bible Studies on Women in Scripture Deborah Winters

Discover faith anew through the perspectives of 20 biblical women whose stories offer challenging and encouraging insights for women and men today. This collection of Bible studies features a diverse array of contributor voices from various cultures, denominations, and generations, as each contributor connects her or his personal story with the scriptural narrative. Professor and pastor Deborah Winters, with her seminary students from Palmer Theological Seminary, introduces women from Old and New Testament alike, highlighting characters both familiar and lesser known, from Rahab to Ruth, from Hannah to Huldah, and featuring many of the unnamed but pivotal women encountered in Jesus' ministry. Great for small-group use and for personal study, every session includes a "hook question" to begin and several reflection questions to conclude.
