Castaways Cheyenne McCray

Sirena can't remember anything. Apparently she needed a break so badly that her mind took a holiday. Unfortunately, so did the yacht carrying her to the Bahamas. After surviving a brutal storm, she's stranded on an island with Den and Mike, two incredibly gorgeous men who turn her inside out with their smoldering looks. Maybe forgetting isn't so bad—but Sirena has a feeling she'll want to remember every carnal detail of her time with these two steamy hunks. Den can't get enough of this beautiful Siren of the sea. He knows nothing about her, but finds himself drawn to her so powerfully that he has to have her. He's shared women with Mike before, hell, that's what this trip was all about... Only once they're off the island, Den intends to keep Sirena for himself.
