Fated and Dominated: Five Gay Shifter Stories Abraham Steele

When alphas and omegas collide...

Although fate brings the shifters in these five stories together, it can't force them to be happy about it. Finding their mates doesn't mean they'll live happily ever after.

These dominant alphas and loving omegas are going to fall for each other eventually - but it's not going to be easy.

The rough mingles with the sweet in these five erotic love stories.

*This 275-page box set includes *Owning the Omega*, *The Omega's Secret Baby*, *The Pack's New Omega*, *The Alpha's New Plaything*, and *The Alphas' Wager*.*

Due to mature themes of bondage, domination, and male impregnation, it is intended for adults only.
