Fragmented: A Section 8 Novel Stephanie Tyler

From *New York Times* bestselling author Stephanie Tyler, the Section 8 series continues...

WHEN THE RISKS ARE THIS GREAT...

When Dr. Drea Timmons was kidnapped during Section 8's last mission, Jem did everything in his power to rescue the woman he'd fallen for—a woman unwillingly recruited for one of S8's most personal and dangerous covert operations. Drea survived, but at a price. The trauma of her capture has rendered her without a single memory of her ordeal—or any recollection of how violently unpredictable her ex-boyfriend, Danny, an Outlaw Angel, had become, or why she had left him.

IS TRUST EVEN AN OPTION?

When Danny threatens to turn Drea over to the feds, she is forced to go on the run and confront a past that is as deadly as her future. As trouble closes in on both ends, Drea has no choice but to trust Jem, the only man who can help her, the only man whose electrifying touch brings back memories—piece by piece—too stirring to forget.
