Style by Saladino John Saladino

In this volume, US design guru John Saladino reveals the secrets that made him one of the world's most respected interior designers. He reveals the inspiration behind his design philosophy with its mastery of color, light and scale. Showing how lessons from the classical world can be implemented in contemporary design, he talks through the design principles that guide him and explains how he applies these principles to settings as well as suggesting solutions for your own home. Chapter by chapter he moves from discussing essential considerations such as light and color to the more ambitious skills of mastering scale, illusion and exaggeration.
