Newest Revision 2012 - 5th Revision: The new 5th edition of the HCG Weight Loss Cure Guide has been completely rearranged to help HCG participants follow the information more easily. The content has held true through thousands of participants and, therefore, the same great content has mostly been edited for flow with some new/updated information. This guide is a great tool for the any HCG diet participant i.e. people who are doing the protocol on their own, under the supervision or help of a physician, with the help of a homeopathic or other practitioner with or without expertise in supporting the HCG protocol. This guide covers all areas of the HCG protocol and includes tips, menus, charts, allowable product, sample menus, and everything else you need to successfully lose the AVERAGE 20 - 30 pounds in about a month. The book also includes extensive information on the maintenance phase. This should save everyone from practitioner to participant significant time and give a high comfort level to everyone also. This book is also available in Spanish: Guia de la Cura para perder peso con HCG
