Play songs on piano like the pros do. By using a sure-fire proven method that guarantees success.

A multi-step guided solution that ensures that any type of song is not just learned but learned properly with all the right nuances understood and incorporated.

Learn songs like a professional musician does by learning everything about song, just like like a musician does.

Discover the chords required and which method of playing them makes the song sound better (there are multiple ways)

Discover the one aspect of playing that is essential for successful song learning, without which failure to fully grasp a song is guaranteed. Without this one aspect being incorporated into every song, playing will sound amateurish.

Every aspect of a song is examined and put through a system that ensures perfect results

Professional results in playing piano, which ensure common obstacles that affect those learning songs and constantly disappointed that their playing never improves, are automatically overcome. Obstacles such as knowing each chord needed, dull boring playing, not sounding right, and not finding songs that suit how you want to play. Not knowing how to play chords in different ways.

Sure-Fire Song Success was designed and has been tweaked over many years. Originally designed for those learning piano by traditional methods, the advent of Play Piano with Chords by J C Lark sparked a need to modify the formula, to provide the same benefits to those wishing to learn piano by chords only.

It became obvious, that although students were able to learn the chords of a song they were unable to make them sound as they wanted them to sound. This was a problem student's faced when playing by reading music, even though the music had a lot of information on the music page. Playing remained mechanical.

The formula developed overcame these obstacles allowing feeling for the song being played to be felt, as well as listened to. Modifying the formula for playing with chords required some working out as the benefit of sheet music were not available. The result has created a means of learning songs that is extremely successful.

Although not necessary to follow the formula in the book, an optional resource pack is available by download for purchasers of this book to help with preparation of each song free of any charges of course.

There is more to learning a song than just knowing the chords. This tried and tested formula ensures that playing of any song will be easy, automatic and will sound exactly how the pianist intends it to sound.

To use this book effectively the pianist needs to have completed Play Piano with Chords the way guitarists learn guitar or be comfortable playing most of the major, minor and 7th chords of A to G.
