Principles and Types of Speech Communication (14th Edition)

Principles and Types of Speech Communication (14th Edition)

This highly esteemed introduction to public speaking offers comprehensive yet streamlined coverage of speech processes, preparation, channels and types. The new edition covers the theoretical as well as the practical aspects of public speaking. Hallmarks include a commitment to cultural sensitivity, with concrete advice for students on how they can speak effectively in a culturally diverse society, and a commitment to providing the most up-do-date research in the field. An accessible writing style that speaks to all students and excellent coverage of the use of computers and the Internet for speech research makes this revision the strongest ever.
