Russia: Broken Idols, Solemn Dreams (Revised Edition)

David K. Shipler

Russia: Broken Idols, Solemn Dreams (Revised Edition) David K. Shipler

A classic portrait of life in Soviet Russia by Pulitzer Prize-winning journalist David Shipler

During the Cold War, David Shipler spent four years in Moscow as a *New York Times* correspondent and bureau chief. Out of that experience came *Russia*, a book that probed beneath the usual surface observations, stereotypes, and official rhetoric to present a subtle, multi-layered depiction of the tenor of the country behind the Soviet façade. In 1989, Shipler returned to write an updated edition, retaining his focus on the durable features of Russian life and spirit, while taking into account the changes wrought by Gorbachev and glasnost at the end of the Cold War. The result is a memorable, incisive, and eminently human portrait of the Russian people that remains as vital as ever amid increased tensions between Russia and the United States.
