The Art of Up Tim Hauser

After *Toy Story*, *Ratatouille*, *WALLE*, and other award-winning blockbusters, where else could Pixar Animation Studios go but *UP*? Their latest film is the heartwarming story of Carl Fredrickson (voiced by Ed Asner), a 78-year-old widower who feels that life has passed him by until a twist of fate takes him on a journey across the globe. *UP* is set to take off on May 29, 2009. *The Art of UP* contains more than 250 pieces of concept art developed for the feature, including storyboards, full-color pastels, digital and pencil sketches, character studies, color scripts, and more. Quotes from the director, artists, animators, and production team reveal the sky-high creativity that elevated this whimsical film to new heights.
