The Greatest Truth of All: You Are Alive! (Spoken words) Prem Rawat

Prem Rawat recommends living in the "moment called now", because that is where peace can be found. In this book, his words, taken from 21 of his talks from around the world, help the reader to understand that human beings are designed to enjoy life. He believes that anyone can know joy, no-one is excluded from that chance. He makes his case with a poetic edge, using his own particular brand of humour and inspiration.
