## **The Mud Folio** David Greenberg

David Greenberg has directed Grammy-nominated music videos, scripted the platinum selling Kiss Exposed for Paul & Gene, product managed Yoko, Ringo, Devo and more. He's now a Marketing Director for jazz's crème de la crème. Still the bulk of his lyrics lay unsung; deadbeats who should be out making the big bucks, or more importantly, changing millions of lives the world over. These days he'd be grateful for pennies on the dollar and a few listeners given a good chuckle. Only three lyricals have music. Why? As Cary Baker, of conqueroo noted, "David never found his Elton John to his Bernie Taupin." That's not to puff up the quality of the collection to the size of an alarmed blowfish, insinuating Greenberg is a Bernie Taupin, a Hal David, a Captain Beefheart-but even they weren't icons when they first started. Btw, which three lyrics? Buy the Mud Folio and find out. Get your copy today and start the rest of your music career on a straight path to hitdom. Or at least jump start Greenberg's.
