Anne Rivers Siddons

Up Island and Low Country Anne Rivers Siddons

The remarkable *New York Times* bestselling fiction of Anne Rivers Siddons has captured the hearts and imaginations of readers the world over, transporting them to lush and beautifully evoked settings while entwining them in the lives of truly unforgettable characters. Now two of the author's most beloved and critically acclaimed masterworks have been combined in one volume.

In *Up Island*, Molly Bell Redwine -- who has always believed that "family is everything" -- is abruptly set adrift by the abandonment of a faithless husband, the death of her domineering mother, and the scattering of her Atlanta clan. Taking refuge with a friend on Martha's Vineyard, Molly's search for strength and a new identity must sustain her through the harsh island winter until she finds renewal in the healing spring.

Low Country is the story of Caroline Venable, wealthy, pampered, and dutiful Southern wife, who must make hard decisions and reimagine the life she's never questioned when the beloved wild island that is her heritage and her refuge is suddenly threatened.
