## Complementary and Integrative Medicine in Cancer Care And Prevention: Foundations And Evidence-based Interventions

### Provide whole care to your cancer patients with:

Legal and medical guidance for incorporating Naturopathy, Acupuncture, Homeopathy, and Ayurvedic Medicine in cancer care According to the U.S. National Center for Health Statistics and the U.S. Centers for Disease Control (2004), up to 80% of cancer patients undergoing treatment by oncologists and radiation therapists also supplement their treatments with complementary and integrative medicines (CIM). Dr. Marc S. Micozzi has designed this text to provide a comprehensive resource for students and practitioners on the evidence for and applications of complementary, alternative, and integrative medical therapies. This is the first integrative oncology text for health professionals, and as such, it is essential reading for the incorporation of evidence-based practice into the care of patients with cancer and toward the prevention of cancer in the general population.
