Taking the Mountain of Education: A Strategic Prayer Guide for American Education Nancy Huff
Everyone knows that America's Educational system is in trouble but few offer solutions for the possibility of redemption. We know we need to pray but often we don't know how or what to pray. Taking the Mountain of Education is written for those who want to pray informed prayers that will target the root problems of the issues we face in American Education. Ten historical events or entities, called entry points, are identified that led us to a humanistic school system. Each entry point has a unique prayer strategy that targets the root causes of humanism in our schools. This book is for anyone who wants to see reformation in America's schools.
