Vampire Cursed

Book One

Cursed to live alone. Existing as cold, soulless vampire. His life is no longer his own.

Nathaniel, Duke of Lehr, has been waiting for someone to love, a woman to break the witch's curse that holds him captive within the walls of his own home. For only unfettered, unconditional love will sever the ties binding him to a reality he abhors.

Abby's been drawn to Castle Lehr for a long time. She wants an interview with the elusive owner, a chance for a big break in journalism. But the story isn't one she can write about in the newspaper.

One moment, one connection, is all it takes for Nathaniel to realize his heart will be forever bound to Abby's, but could she ever trust a vampire much less love one?

Vampire Forgotten

Forgotten in the mountains of Romania. Forced to live a life he didn't choose. Suffering the daily pain of loneliness. Spending an eternity without the touch of a woman's hand.

Though damned as a vampire, Rhad Valentine has been given what some might call the gift of psychic sight. He sees it as a constant reminder of real life going on without him—a life he cannot live.

Mischa Bonovich is on a desperate mission to find her missing sister, Rianna. Led to the mountains of her homeland by the faint call of Rianna's voice, Mischa needs Rhad's gift and his strength.

Wild hunger, both foreign and welcome, drives Rhad to his knees. He'd never held a woman so soft. Kissed one so responsive. And in spite of his inner protests, he'll do anything to help her. Anything to feel just one more touch of her hand.

In the dark forests of Romania, Rhad's desire won't be quenched until he tastes what only Mischa can offer, but first, he must save her from a man who has nothing to lose. A man who holds a deadly secret that could tear Mischa from Rhad's arms before love can happen.

Vampire Betrayed

Damned to be a creature of the night. Disillusioned by the promise of love which can never be his. Betrayed by his own and the woman he loves.

Joaquin never intended to fall in love, especially not with a mortal. A human could never understand his kind, the torture of his daily existence, but his heart doesn't follow his head. And he finds love in the arms of a woman who knows nothing about his true existence.

After just three short months, Ariana believes she's has found the man she would risk everything for. Then she learns the truth. A dark, twisted truth that becomes the catalyst for a life-changing decision when she believes a sorceress's lies.

Once together, Joaquin and Ariana now find themselves on the opposite ends of the battlefield. Vampire versus hunter. Each destined to kill the other. Neither able to forget the magical nights, the feel of skin on skin, or the sounds of whispers in the dark.

In a world of betrayal and lies, love is crushed, but Joaquin isn't ready to give up. And when he discovers the true nature of Ariana's change, he has to save her before she realizes what she has become.
