When a widow inherits a Dutch painting from her late husband, she wonders if it could be a Vermeer – and enlists the help of a married couple to find out. They call in an old acquaintance from university, an imperious art historian named Goodhart who is the world’s greatest authority on the painter. Soon expertise and expectations collide – with astonishing results. An exclusive Kindle Single from the world-renowned author.

Anthony Horowitz is one of the most prolific and successful writers working in the UK – and is unique for working across so many media. Anthony is a born polymath; juggling writing books, TV series, films, plays and journalism.
