Rashard Peterson is an all around perfect catch. For any woman that can tame him that is. He's the quarterback for UMA and he's both family and goal oriented. Rashard can have any woman he wants and makes sure to get a taste of each one. With the perfect package, it's hard for Rashard to duck and dodge them because they always come back for more. His only problem is he's living 2 different lives.

Tamia Anderson isn't your average girl. She's every girl's role model letting nothing and no one stop her from achieving her goals. Tamia vowed to never give another man her heart after her first love, Amere broke it causing her to flee her home town with her best friend after killing a man. Her only problem is she's fallen under Rashard's radar and what Rashard Peterson wants, Rashard Peterson gets.

Armani Wright is every man's dream including her mom's boyfriend, Steve who took it upon himself to test the goods. After being raped night after night and with no help from her mom, she turned to the only friend she had left in the world, Tamia. Tamia concocted a plan to get rid of Steve altogether and once they eliminated him, that fled to the streets of Detroit leaving the coast a distant memory. Now Armani uses her body to get any and everything she wants. With sponsors galore, Armani has to figure out if her body is a blessing or a curse.

Michelle Melton is your average girl based on appearances. She is the definition of Plain Jane. Michelle is in love with a man she'll never have completely. She's tried everything she could think of to keep him with the help of her cousin Tiffany. Michelle knows she and Ray are meant to be together and nothing will stop her. At least that's what she thought until a fatal accident sends her to the hospital.

Will Rashard be able to maintain living 2 different lives while juggling multiple women as he zooms in on his new target? Will Tamia accomplish what she's set out to do or will Rashard come in and destroy another life? Will Armani slow her role or continue to use her body to get ahead possibly costing her, her life? Will Michelle's love for Ray overcome all or is this fatal accident too much to come back from?
