## **Blinders Keepers** John Rachel

In this dystopian satire of political intrigue and social chaos, a young man who escapes his hopelessly hayseed home town in Missouri is accidentally labeled a terrorist and must survive a manhunt by government security agencies in a paranoid and unraveling America. The president out of desperation perpetrates an end-of-the-world hoax, trying re-establish control and get himself re-elected. *Blinders Keepers* is social-political satire in the tradition of Jonathan Swift, Kurt Vonnegut and Joseph Heller, but revved up and spit-shined to take on the historical new levels of absurdity and dysfunction of the 21st Century. *Blinders Keepers* is social-political satire in the tradition of Jonathan Swift, Kurt Vonnegut and Joseph Heller, but revved up and spit-shined to take on the historical new levels of absurdity and dysfunction of the 21st Century.
