Mate Her (Warriors of Hades Book 2) Jenika Snow

Minka is a human, a dying species that is both weaker and more vulnerable than any other being in the galaxy. Because of this, humans are hunted down and taken to the intergalactic slave auctions to be sold.

Brawn, Thorque, and Lukin are warrior brothers from the planet of Hades. Because their need for finding a female and procreating with her has come upon them, they are in search of one to share.

But when they are forced to land on a planet infested with dangerous beasts, the last thing they think to find is their human mate.

Minka doesn't know the demon-looking warriors that rescued her from certain death, but what she does know is that they want to share her ... and for her to have their babies. Yet despite her fear of the unknown, Minka wants them, too, and knows that fighting is not an option anymore.
