Jay Mohr

No Wonder My Parents Drank: Tales from a Stand-Up Dad Jay Mohr
YOU'LL NEVER SLEEP IN THIS TOWN AGAIN

From *Saturday Night Live* to stand-up, from a blockbuster film career to the star of CBS's hit television show *Gary Unmarried*, Jay Mohr is one of the funniest people in comedy today. Now, in this down and dirty tale of modern fatherhood, Mohr shares his stories as a first-time parent.

No Wonder My Parents Drank reveals the details behind Mohr's humiliating test-tube conception attempts and then recounts the trauma of not only having to keep this child alive, but having to spend time alone with him! He waxes poetic about dirty diapers; spins theories on spanking; and mulls over the more hidden advantages of parenthood, like carpool lane access, carte blanche to use the ladies restroom, and an alibi for missing family dinners. Mohr describes, in painfully funny detail, the bizarre situations that all parents inevitably face but can never prepare for (such as when his kid discovered his dog's rear end) as well as moments of pure joy like taking his son to his first baseball game.

Mohr reports on the hilarious wisdom that his son, Jackson, has taught him—like why it's fun to play "Kissy Boy" with the other boys at recess, how important sunscreen is for avoiding a "sunborn," and how awesome it is to get a "rainbow belt" in karate.

Riotously acerbic and refreshingly honest, *No Wonder My Parents Drank* casts the very funny Jay Mohr with an even funnier mini-me sidekick as a supporting character in a little comedic love story that every person who either is a parent or has a parent will find delightful.

It means that, science publication or encyclopedia or other folks. So , how do you think about this book?

Kelsey Jimenez:

Reading a guide can be one of a lot of exercise that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a guide will give you a lot of new details. When you read a book you will get new information simply because book is one of several ways to share the information as well as their idea. Second, examining a book will make anyone more imaginative. When you studying a book especially fictional works book the author will bring you to definitely imagine the story how the figures do it anything. Third, you can share your knowledge to others. When you read this No Wonder My Parents Drank: Tales from a Stand-Up Dad, you are able to tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the mediocre, make them reading a guide.

Joyce Pippin:

People live in this new time of lifestyle always make an effort to and must have the extra time or they will get great deal of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely without a doubt. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading books. It can be your alternative throughout spending your spare time, the book you have read is actually No Wonder My Parents Drank: Tales from a Stand-Up Dad.

Allen Yopp:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this No Wonder My Parents Drank: Tales from a Stand-Up Dad can make you

experience more interested to read.
