What is life REALLY like on the Other Side? What could possibly be waiting for us when our time on earth is over? What does it mean for our lives today? Spiritual medium and researcher Jeffrey Marks set out to find the answers. Starting with a list of 52 questions regarding the nature of life on the Other Side, Jeffrey went directly to the spirits for answers. Using an analytical approach, Jeffrey recorded 14 mediumship sessions with individuals from various faiths and backgrounds, and interviewed their friends and loved ones from the Other Side. The result is the most direct and accessible description of the nature of the afterlife -- revealing that LOVE is the cornerstone. If taken to heart, the spirits' answers could profoundly enhance our lives here on earth through greater compassion toward ourselves and others. Continue the journey in Volume II of THE AFTERLIFE INTERVIEWS series and hear directly from those on the Other Side regarding Questions 24 to 52: access to universal knowledge; survival of animal souls; the afterlife environment; afterlife occupations; service and exchange; spirit guides and angels; existence of the prophets; role of earthly religion; fate of the evil; fate of suicides; near-death visions; judgment and end times; the spirits' views of God; and much, much more. We will all get there someday. The spirits have spoken. Are we ready to listen? Jeffrey A.
